Hi there! Thanks for reaching out to Talent Champ. How can i assist you today?
Thanks for expressing interest in our courses at Talent Champ. Could you please let me know the age group your child into? This will help us suggest the most suitable programs for them.
Thank you for sharing that you child is 10 years old.
What specific skills or programs are you interested in for your child? We offer options like coding, applied robotics, creative writing, and more.
Kraya
Zomato is a global food delivery service that connects customers with restaurants, allowing them to browse menus, order food, and get it delivered to their doorstep. The company also provides restaurant reviews, ratings, and insights, facilitating better dining experiences both for dine-in and takeaway.
What questions should the AI ask your leads before qualifying them?
What is your restaurant's current method of food delivery?
How many orders do you handle on a daily/weekly basis?
Are you currently partnered with any food delivery platforms? If yes, which ones?
What challenges do you face with your current delivery or customer management process?
